Student's Pledge and Consent

As a student of the University of Antique this term, I hereby promise to abide by the rules and regulations of the University now in force as well as those that may be promulgated during the time I am still enrolled. If I violate any of these rules, I shall bind myself to whatever disciplinary action the University may impose on me.

Furthermore, I hereby give my consent and authorize the University to use my personal data and other school records in the pursuit of its legitimate interest as an educational institution such as but not limited to compliance of reportorial requirements to the affiliated organizations as part of its contractual obligations, or with government agencies and other regulatory bodies pursuant to the law or legal processes.
